NEWSLETTER

March 2017

Dear Parents and Guardians,

The redesigned curriculum of B.C. mandates that all educators focus on exploring the First Nations (First Peoples') perspectives. We were very fortunate to have Deacon Rennie Nahanee, a deacon in the Archdiocese of Vancouver and a Squamish Nation elder, come to our school in late February to visit with our children. Deacon Rennie's visit began with a whole school blessing and then he proceeded to visit with each class and teach them about different subjects through the lens of the First Nations' people. Deacon Rennie discussed Science, Socials, Storytelling and of course, our Faith, in fascinating detail! Our school community was definitely blessed with his presence and we are grateful for him spending a whole day with us!

Lent begins this Wednesday, March 1, 2017. Teachers have already begun preparing your children for this season by teaching them some of the traditions associated with the Lenten season: in particular fasting, almsgiving and prayer. You are all welcome to join us for the Ash Wednesday Mass at 9:00 am on March 1, 2017. You will also find on the last page of this newsletter some suggested activities families can do together to journey through Lent.

Lenten prayer: Holy Father, help us to see this holy season of Lent as a time of spiritual renewal. Motivate us to reach a new level of experiencing your grace. Amen.

STAFFING

It is with deep regret that I announce that the following staff members will not be returning to St. Matthew's after the 2016-2017 school year: Mrs. Rasmussen (Grade 7 teacher); Mrs. Koochin (Grade 2 teacher currently on maternity leave); Mrs. Lisa Cheah (Grade 3 teacher currently on leave); Ms. Lizette Gatlabayan (Special Education Assistant). Mrs. Rasmussen will be moving with her family to Vancouver Island, while Mrs. Koochin and Mrs. Cheah are now devoting their attentions to being full-time moms! OVER 18 DOCUMENTARY - TUESDAY, MARCH 28, 2017 - 7:00 PM - HOLY CROSS HIGH

Pornography addiction is endemic in our society; especially amongst our young people. Research has found that first exposure to pornography (through the internet, magazines, TV) occurs as young as 11 years old. Recently some local filmmakers created a powerful documentary regarding the far-reaching nature of this industry and Holy Cross High school will be hosting a viewing of this; please see details below:

Holy Cross High school would like to invite everyone at every parish and Catholic school in the area and anyone you can think to invite to a showing of *Over 18 A Documentary on Porn*. It is so powerful that we feel very strongly about sharing its message with anyone and everyone who has responsibility and contact with children.

LENTEN ACTIVITIES FOR FAMILIES

Lenten Family Mealtime

In addition to “Friday fish day,” designate one evening a week to prepare a meal together. Assign a different dish or task to each family member. Before starting, discuss how each family member is giving to the others—giving time, effort, and care to nourish the entire family to go out and do God’s will. Begin with a prayer of thanks and petition.

Family Lenten Reading

Prominently display the Bible and other books that feature topics such as the following: Lent, forgiveness, prayer, Scripture, generosity, social justice and service for others.

Family Kindness and Sharing

On slips of paper, write random acts of kindness, such as give a compliment, say hi to an old friend, carry someone’s heavy load. Present each family member with a slip of paper as he or she leaves in the morning. Invite each family member to perform the kindness without seeking recognition. Afterward, talk together about what happened. Pray with one another that your kindnesses will be passed on throughout Lent and beyond.

Giving to Charities

Ask each family member to find three to five high-quality, useful items that would be appreciated by those who are less fortunate. Donate the items to a favorite charity. Pray together for those who will receive them.
