

ST. MATTHEW'S ELEMENTARY SCHOOL
Parent Participation Program (PPP) – Commitment Form 2017/2018

Family Name: (surname you will use for your PPP online account)	
Email: (address to be used for all PPP correspondences)	
Father	
First Name:	Occupation/Skills
Mother	
First Name:	Occupation/Skills
Name(s) & Grade(s) of Child(ren) on September 2017	

Active participation from school parents is an integral part of our school community. Through parents' involvement in various aspects of the school's operation ensures that many of our labour costs are reduced; enabling us to better sustain ourselves. It is encouraged that all families show interest and contribute to different projects and activities in the School and Parish, as it supports our Catholic solidarity and community spirit.

Each Area of Assignment (described in the following pages) is a school-year commitment. It is expected that your assigned area of responsibility is completed throughout September 2017 to June 2018. Please complete the attached form accordingly.

All *and* each Area of Assignment is quantified at 40 Hours per year. 100% completion of assigned job equates to \$800 (Pay in Lieu). Failure to fully meet area of responsibility will result in the school debiting your account accordingly.

School-Wide Supervision Responsibility

Each St. Matthew's family is obligated to complete 4 separate Traffic Control/Supervision shifts throughout the school year. This mandatory assignment is required to ensure complete coverage of this particular job/task during each school week. It is crucial for all to be involved in this very important area as it ensures that all safety measures are being adhered to by the school community with respects to traffic flow and drop-off area procedures. \$40/shift will be debited from your account should you not complete any of your chosen 4 shifts throughout the school year.

By signing below, you agree and commit to St. Matthew's Parent Participation Program.
