On Friday May 5, 2017, St. Matthew's will be holding their annual Walkathon at Fleetwood Park Trail. Students will have the opportunity to solicit pledges from family/friends, and walk the trail to fulfill their pledge commitment. The Walkathon will raise money towards their school field development, and for resources to support other school needs. I (we) will be participating in the St. Matthew's Elementary School Walkathon, and **hope you can help by sponsoring me**. Our school goal this year is to raise $15,000!
