

Bible Story: The Story of Creation, Adam and Eve and the Nativity of Mother Mary
Theme: Space

Dear Preschool Parents and Guardians,

We welcome you all to another fun and enjoyable year in preschool!

On the first week in school, children will be given time to adjust to the classroom environment, as well as with their new friends. As we start the school year, we will learn about the beginning of life on earth in the stories of God's Creation and Adam and Eve, where children will also learn the value of obedience; and to help them stimulate their scientific and creative knowledge, they will also gain understanding about "outer space". Along with these, as we celebrate the birthday of our beloved mother this month, we will be learning about the Nativity of Mother Mary.

Our main goal for this month is to strengthen the children's fine motor skills by writing horizontal and vertical lines, then, it will be followed by the introduction of numbers.

We are looking forward to another amazing school year with you! 😊
