

PEC Teacher's Report

March 27, 2018

- Prior to Spring Break, we had Literacy Week, with a focus on poetry. Students memorized poems, heard poems read by their own teacher and other staff members, wrote poems, discussed poems. Mrs. Testani and Mrs. Sisk were the staff members who organized the events.
- Teachers are busy finishing progress report preparation – these go home next Tuesday, April 3rd
- Holy Week has certainly been the focus in many classrooms. We are preparing for our annual Holy Thursday retreat day, in which multi-age groups will rotate among 6 stations, doing various activities related to the Easter Triduum. We will begin with Stations of the Cross, and will also have a poverty lunch that day (bread and water).
- We are very happy for Vivian Chow, who was married over Spring Break
