

CHRISTMAS Fundraiser with

Fresh wreaths and poinsettias are now available for ordering - - whether for your own home, or gifts for colleagues/employees. Your friends and family will enjoy this Christmas season with beautiful flowers from Darvonda Nurseries.

The school is partnering with Darvonda for this worthy cause, as we fundraise for our gym & outdoor play equipment.

The attached order form is due on Friday Nov. 16; please submit all respective monies to the school office by end of day. Cash payments must be exact, and cheques can be made payable to St. Matthew's Elementary School.

All orders will be made available for pick up on December 4th.

We hope all school families can participate in this initiative, and thank you in advance for your support!
