

**CALLING ALL GOLFERS – NO MATTER THE SKILL LEVEL**

This year’s St. Matthew’s Guardians Golf Open will not be taking place as we’ve been used to in the past. However, you can still come out to play, have fun, and support the school in our efforts to raise funds for gym and outdoor play equipment.

SMES and the *Guildford Golf & Country Club* have partnered up to offer golfing vouchers to purchase and use at your convenience from July 1 to December 31, 2021. There are 2 types of vouchers and 3 types of packages to choose from that will best suit you. You can mix up the types of vouchers in different packs to better accommodate your schedule, as you can book your own tee time at your convenience. Any vouchers purchased can be used by anyone, so they make perfect gifts for any golfer (beginner to advanced, young and old, couples, groups, etc.)

Please use the attached order form, and submit along with payment to the school office by **Wednesday June 23**. All orders will be processed, and purchased vouchers will be provided back before the school breaks for summer vacation.
