

Thank you for allowing Artona to capture your child's school photo this year!

Each student photographed would have returned home with a QR code card that can be scanned to view and order their photo – Check their planner or with their teacher. (see sample card below)

The photos we took are typically ready to be viewed 48 hours after photo day, though the QR code can be scanned at any time.

IMPORTANT - If that camera card is misplaced, please visit the following link to retrieve your student's access code: https://artona.com/student_requests/new

Thank you again!
