Teacher's Report

St. Matthew's was the Small School Champion at the CISVA Track Meet for the 2nd year in a row. We were 3rd place overall out of 35 schools; Kris-Maris in Grade 4 set a meet record in long jump and won the individual aggregate award. We had 2 other athletes, Aria in Grade 5 and Malia in Grade 7 who were tied for second place in individual aggregate awards. Many staff members were involved in the Track and Field program including: Deborah, Laila, Nemia, Linda M, Lizette, Michelle, Damian. They all gave up some of their time each week in the morning, during lunch recess, and after school.

Kindergarten is working on their final seasonal unit, Summer! They go to Godwin Park this Wednesday for their last "Seasons in the Park" field trip and will be participating in a countdown of fun end of the school year activities.

Grade 7 had a great time leading the stations for Fun Day this past week

Grades 3 and 6 are going bowling this week and grade 1 and 4 are going to Francis Park for a picnic for end of year buddy activities.

On behalf of all staff members who attended the carnival, it was great! Thank you for providing such a fun and inviting occasion!
