FAITH

Father Tran and Father Patrick have begun their classroom visits (typically on Tuesdays); Father Mark Gazin, our new part-time assistant will spend time with students as his schedule allows.

We will continue to hold school Masses approximately twice per month with our school in attendance at the church.

Our theme for this year is Living, Proclaiming and Celebrating Our Faith. Our school is in the process of putting together some initiatives to focus on how our school community can live out our faith more fully.

ACADEMICS

This year our school growth plan continues a focus on literacy and numeracy skills as well as a faith goal (strengthening the connection between the parish and school communities).

SPORTS

Cross Country and Volleyball are well underway. The Cross Country team will participate in 3 tournaments this year and our volleyball teams will take part in various league games.
